## West Cheshire MG Owner's Club Newsletter

October 2018

### Area Secretary Welcome by Angie Haughton

September was memorable for the reason that apart from it being our first Charity Classic Car and Bike Show it was extremely evident that MGOC members are a great bunch, but then you all knew that anyway. Firstly, our regular team of volunteers were out in force with their usual professionalism topped by their smiling faces. Secondly, our club members were out in force to support the event by displaying their cars and joining in on the activities. Thirdly, our neighbouring Area meets, namely; Chester & Wrexham, Merseyside and West Lancs, were there in a show of support. All this, despite the weather, or more the forecast, as it wasn't too bad on the day with a few brief showers. Thank you, all!

We're sorting out the Christmas Meal for the December monthly meeting, so more news on that and other planned activities at the next monthly meeting on the 9th of October.

Congratulations to Robin O'Ven who has only taken 49 years to get round to replacing his Triumph Spitfire MkII! A lovely looking car that we hope to see in the flesh very soon!

Rob Fryer arrives in Denbigh for the Walled Towns Run.

## The Cheshire Candles Charity Show Report. By Martin Williamson

Our first charity show to complement our charity run. What a great turnout on the day and the diversity of classics and moderns was amazing to see. The weather interrupted play a few times but otherwise, it was not the Biblical rain forecast at one point earlier in the week.

So far the feedback has been very positive and there are a few areas in which we can improve things for 2019. Not least the weather! One thing that needs no fine tuning is our excellent team of volunteers who worked hard all day to ensure it went smoothly with Neil Kennedy

leading the team. There were a number of positive comments about the fact we had a good team of visible volunteers on the field at all times, and most commented on how friendly everyone was, so well done, and thank you again for your efforts, both before and on the day. The other factor that I particularly enjoyed was seeing so many of you all out in support of the day despite the forecasted rain. Thank you all for making the effort, without you, there isn't a show. The picture above is Derek Gregory's Maxi that he brought along, and it was in the top four chosen by Cllr Bob Rudd on the day, so well done, Derek!

So far it looks as if we have raised close to £1,000.00 for The Fire Fighters Charity! We have been to visit Chester Lakes management team

and they're delighted with how the day turned out and want us back next year, so, Sunday, the 22nd of September, 2019 is the date to put in your calendar!

Our photographers; Phill Jukes, Bryn Lloyd-Griffiths and Steve Brace, took some great photos on the day and their albums are available on Flickr with a link from our website.

A huge thank you, too, to all the folk that donated towards the raffle prizes and there were some great vouchers in there. A special mention, too, to Richard and Kay Hayes who helped with the social media side as reported in last month's newsletter.

Here's to 2019!
